| Meltemi is a north Aegean wind, which was a divine gift to cool the ancients. Spritz style cocktail based on mastiha, aloe juice, fresh mint and prosecco. |    | Named after the Ancient Greek "Drug of Forgetfulness". This cocktail combines tequila, crème de cassis and lime for a blissful escape.      |    |
| SEREFÉ                                                                                                                                                     | 60 | EGELI                                                                                                                                       | 60 |
| Turkish word for "cheers". Bright cocktail contains raki, pineapple, vanilla and lime for a bold yet smooth celebration in the glass.                      |    | A refreshing tribute to Aegean people. Cocktail mix together gin, St-Germain and fresh cress cordial to bring a delicate and herbal finish. |    |
